music implies a strong emotional lyric handed with a lot of restraint. Manna Dey's success in Indian Cinema songs, in any language has been consistent and desirable. Some of the Greatest Composers of India like Maushad, SD Burman, Roshan, Ravi, Madan Mohan, Shanker Jaikishan, choose Manna Dey for their most prized numbers and those songs still stand alone out from the vast mass of Hindu Film

songs, by sheer power of the Manna Dey rendering. In Indian films Manna Dey is known to be the voice of character actors. In Kasmee Wade Pyar Wafa (Upkar) for instance he brought out the pleas of the forgotten one so well that it touched the cone of audience heart. Subsequently, he became the most sought after Indian film playback singer virtually singing in all Indian languages.
